Sir,

According to Government

to them and adjoins the Town. Moreover they have claimed no compensation for making the land fit for cultivation. The Amildar supports their contention and recommends their case for a favorable consideration. —

4 — Under these circumstances, I request you will kindly accord sanction to the grant of the whole extent of land specified in the statement annexed as Service Inam in lieu of the Survey No 171 of the Hafan village acquired by Government for public purposes. I beg to add that the Amildar has made over the land in question to the Kulvadis Dzava and Kanji a pending sanction of Government.

in the Hagan village, were in the enjoyment of these Kulwadies as service Inam land till the survey No. 171 was acquired by Government for the purpose of forming the Municipal Park, at Hagan.—

3. For the above lands assessed at Rs 17. 8—, a Jodi of Rs 3.8— was being collected and the balance of Rs 14— was enjoyed by the Kulwadis as service Inam. As the Survey No. 171, measuring 4 a. 9 g. 16, has been acquired by Government, it is necessary that other land should be granted in lieu of it. There is no assessed waste available in the adjoining villages. The area now recommended to be granted in exchange for the survey No. 171, exceeds the area acquired by Government by 1 a — 9 g. 29. The Kulwadis plead that the soil of survey No 171 (their Inam land) is of a better quality than the one now proposed to be granted

I have the honour to state that as per yádi of the Superintendent of Revenue Survey who first promised to fix the assessment on the land to be granted at Rs 1-7- per acre, 4 acres. 21 guntas of land was recommended for sanction but that Officer has since entered the rate of Re 1-3-4 in the Akarband. He was again addressed on the subject and he states in reply that the rate he first gave was wrong and the rate fixed in the Akarband viz Re 1-3-4 is Correct. According to the first rate viz, Re 1-7-4 the land granted would bear an assessment of Rs 6-8-4 which was the assessment of the land taken up But at the rate of Re 1-3-4, the total assessment

on the land in question is Rs 5-8-
thus falling short of Rs 6-8-
the assessment on the Service Inam
